

**Listen to the full episode here:**

## **From a weather shelter to a private space...**

the all-too-adaptable awning is the sail of your four-wheeled ship. In this episode, Ben and Lauren throw some serious shade in only the best ways, shedding light instead on the awnings designed for 4WDs and vehicles.

Be it how to mount, when to peg out, the types that pull out, or the styles that curve around – tune in for all there is to know about the ultimate setup extender ahead of your next escape!
