Life on the road can look like...

...anything from crisp white coastlines, pillows padding the open boot, and coffee thermoses cradled in the cupholders, to mud-caked wheels, scuffed stone guards, and ongoing kilometres of red dirt road.

In this episode of the Snowys Camping Show, Ben and Lauren invite Snowys' resident caravanning expert Kevin to take the wheel. From chocks and hitch locks, to adaptors and jack pads – Kev lists the most necessary caravan accessories for a well-oiled machine on the open road.
