

Listen to the full episode here:

Ben and Lauren have a combined knowledge of the outdoors that stretches further than a snatch strap hauling a 4WD from a bad back-up job.

In the 5th episode of their Campsite Q&A's series, your questions are answered – from the gear on its way up, to the gear on its way out. The billy's on the boil, the damper's wrapped in foil, and there's an empty camp chair waiting loyally by the fire just for you. Tune in here!
