**In this episode, Ben and Lauren drone on like a generator at a caravan park.**

Kidding. Although, that's a great segue into the next line...

From power consumption to fuel efficiency, our outdoor experts swear to hold limited knowledge on these humble pods of emergency energy. Nonetheless, tune in for a pared-back chat that generates 30 minutes of useful tips, basic facts, and the all-round lowdown on powering up.

Pull up, set up, and switch it on – off the grid!
