

Outdoor Connection Galaxy Plus Family Dome Tent

\$939.90

Details

Massive living space for big families on extended stays, the Outdoor Connection Galaxy Plus offers three big rooms plus a mesh vestibule on the side for the ultimate in family camping. The hybrid steel/fibreglass pole system creates strength and stability whilst maintaining internal space.

With sleeping room for up to 15 people, the Galaxy Plus provides enough space in each room to comfortably fit a queen mattress plus space to move. Internal dividers and internal window and door covers provide privacy while four doors enable independent access to each room from the outside and combine with no-see-um mesh windows on the inner for superior ventilation.

Six adjustable awning poles are supplied for use in any combination of external door covers to create a shade awning or one extra-long verandah along the sides. Add extra poles and you can have shade all around the Galaxy Plus.

Finished off with door locks, three power cord access points, numerous internal organizer pockets and a heavy-duty floor, the Outdoor Connection Galaxy Plus is a spacious tent with a quality build.
