

Outdoor Connection Easy Up 2 Pop Up Tent

\$129.95

Details

The Easy Up 2 from Outdoor Connection is so easy to set up, that even Russell Coight could give it a fair go. All you have to do is take it out of its bag, pop it open and peg it out. Simple.

The Easy Up 2 has a cosy interior, a dome-shaped roof, and best of all it has an integrated inner and fly, so it's the ultimate in easy use tents. Outdoor Connection have really put everything in place to keep this tent waterproof, with a waterhead rating of 2000mm, taped sealed seams to prevent water sneaking in through the stitching, and a 5000mm+ waterhead floor you'll stay nice and dry from whatever mother nature throws at you.

There'll be plenty of air flow, and minimal condensation thanks to the vent panel and side windows on the Easy Up 2. This is also a great one for time-poor holidaymakers who can only get away for a day or two, this way you can spend more time adventuring and less time setting up.
