

Coleman Rugged Machete

~~\$34.99~~ **\$25.90**

Details

When you're out in the bush, confronted by metres of long dry grass you've got to find a way to keep going forward - and that when you (carefully) whip out a tool such as the Coleman Rugged Machete.

The Rugged Machete has a myriad of camping, survival and general outdoor use. The blade is made from strong steel with a full tang through the handle so it's a sturdy instrument when used properly.

This knife comes with its own nylon sheath so you can keep it safely tucked away when it's not in use, and the rubber grip handle is comfortable in your hand making it easy to wield and durable enough to withstand plenty of use.

Comfortable tough rubber grip handle
Full tang steel blade
22cm saw edge with 8 teeth every 2.5cm
Nylon storage sheath
