

Zempire Stove Stand

\$39.90

Details

If you're always looking for a safe spot to rest your stove in your camp kitchen, then the Zempire Stove Stand is the safe and practical answer to your problem.

It's got an easy to set up and strong cross frame that will resist rust while providing a very stable platform for your hot gas stove. So, you can even do some vigorous whisking if you fancy, there's no need to lower your cooking standards even if you're off the grid! This will elevate your cooker to standing height which will make trying to fry up breakfast so much easier.

When packed, this thing is compact and easy to transport so you can easily add it to your camp kitchen for your next trip. Zempire have really thought of everything with this stand - it's even got a rack to hang tea towels or cutlery while the bottom rack will keep your gas bottle upright, and out of harm's reach.

Strong cross frame
Lower rack to store gas bottle when in use
Brings stove up to a comfortable height without taking up space
Compatible with all Zempire portable stoves
Rack to hang kitchen tools
