

## Coleman Ridgeline 3P Hiking Tent

~~\$229.99~~ **\$159.90**

### Details

The three-season adventure tent that will have you covered on your lightweight hiking or backpacking expeditions, is the Ridgeline 3P from Coleman.

The ultra-fine mesh inner provides air flow, while the seam sealed 75D fly has a 3000mm waterhead rating to provide protection from the elements. The 3-season rating combined with the fact that its wind tested to 100KPH makes the Ridgeline suited to camping in harsh, Aussie conditions. The two-pole tunnel design is quick to pitch and features lightweight aluminium poles and V stakes. On warm summer nights, you can use the inner without the fly as a screen tent, making the Ridgeline very versatile.

Perfect for the adventurous couple who likes a little extra space, or the travelling trio- the Coleman Ridgeline 3P won't break the bank and is light enough for your hiking and backpacking expeditions.
