

Darche  
Dirty Dee 1400 Swag

**\$519.90**

## Details

Darche have named Dee as their ultimate freestanding tourer in their range, and you can certainly see why. The Dee stands completely upright thanks to the clever pole trigger locking system, and it's as roomy as a small tent. You can fit you, your missus (or mister) and your dog in the Dee as it's spacious with a lot of headroom, which is unusual for a swag.

The mesh covered windows are massive, so you can unzip the fly to catch a glimpse of your beautiful surroundings while you chill out in your shelter. One of the really great features of Darche swags are their mattresses - which are the kind that are actually comfortable enough on their own without the need to add extra padding for grabbing some shut-eye.

You can get Dee ready for a good night's rest lightning fast - so it's perfect for the touring lifestyle. Over the years a swag can become like an old friend, who you've shared a long list of adventures with, so make sure you invest in a good quality shelter like the Dirty Dee to accompany you wherever you go.
