

Companion
Aquacube Water Hose Adaptor

~~\$62.99~~ **\$34.90**

Details

Use a standard garden hose with your existing Aqua Cube Shower Unit with the Aqua Cube Water Hose Adaptor from Companion. This adaptor has a regulator which ensures that the heating performance is the same if you were using a 12V pump. The regulator also means you don't have to refill the water supply each time you use your shower system. When you're using your shower unit with a larger group, or in a fixed installation - the Aqua Cube Water Hose Adaptor from Companion is just what you need. 3/4 BSP threaded outlet Quick connect fitting inlet 1" BSP threaded adaptor with male garden hose connector Pressure regulator with connect fittings and compatible with Aqua Cube models: COMP800 - Series II, COMPA812 - Digital, COMP825 -Logic, COMPA8301LI - Lithium
