

OZtrail 4.5m Mega Gazebo Mesh Zip Wall

\$47.99

Details

When those mozzies and flies are on the prowl, add some protection like the Mesh Wall Kit 4.5m from OZtrail to your gazebo, so you can have some peace and air flow inside your shelter.

Made to suit your OZtrail gazebo with a 4.5m size, this mesh wall is made from polyester with a No-See-Um mesh insert so that you can get a cool breeze inside your shelter, minus the unwanted insects.

With zips on either end of each wall, you can joint multiple walls together to enclose your space while still allowing for plenty of ventilation, and there's also a zip in the centre for easy access to your shelter. The 4.5m Mesh Wall from OZtrail is the ideal gazebo accessory to add to your kit for those warm days where you need some airflow and insect protection.

100% polyester wall with No-See-Um mesh insert for protection against the insects and added privacy
Can be used on any Gazebo or Pavilion with 4.5m side walls in the OZtrail range
Designed to suit the middle height setting on the Gazebo or Pavilion
Zips on either end of each wall to allow you to joint multiple walls together
Central zippered doors
