

OZtrail
4.5m Mega Gazebo Solid Zip Wall

\$49.90

Details

Don't let a bit of wind or a light drizzle of rain ruin your outdoor event - add some side walls to your gazebo for protection against the elements and privacy when you need it most.

Made from UVtex 2000 fabric, which will protect you from the harsh sun, and provide you with water protection should you need it.

This wall is compatible with any of the Gazebos or Pavilions with 4.5m sides in the OZtrail range.

Attachment is easy, simply hook it onto the frame, line up the Velcro patches and tie the sides to the legs of the gazebo and you're done!

Solid polyester wall for privacy and protection against the elements
Centre zip provides easy access to the interior of your marquee
Can be used on any gazebo or pavilion
Zips on either end of each wall allow you to join multiple walls together
UVtex 2000 fabric which protects from sun's rays and doubles as a waterproof barrier
Hook, Velcro patches and ties to secure it to the frame of your gazebo
