Details

If you're practically unable to function without a cuppa tea or coffee in the morning - then you'll need a convenient little kettle to give you that much needed morning refreshment.

The Popup Billy Kettle fold up or down which makes it ideal if your caravan is a little on the cosy side - as chances are you don't have the space for a bunch of bulky kitchen appliances on your dinky stove.

Use it to make yourself a hot drink, reconstitute a freeze-dried meal, or a pot of noodles when you're out on the road and need an afternoon pick me up. The lightweight and compact design is made of food grade silicone so it's safe to use, and features an illuminated automatic boil switch to let you know when your water is ready to go.

The perfect size for the caravanning couple, you can't go past this kettle for portability, ease of use and value.
