### Details

If you're known to be a little bit cranky and non-responsive without your morning cup of coffee or tea then don't forget to bring a kettle with you on your next outdoor adventure.

You'll keep you, and your campmates happy by picking up a dinky, space saving appliance like the Pop Up Billy Kettle. Perfect for the space-conscious hiker, or minimalist camper - this kettle is as light as a feather, and packs down really small.

You can use this little beauty on gas or electric sources, just as long as the heat source is smaller than the base diameter. This tough little kettle can be taken out on many different kinds of adventures, while saving you space in your pack.

Press button flip lid  
Food grade silicone body  
304 Stainless Steel base  
Can be used on gas and electric heat sources
