Details

If sickly sweet artificial colours and flavours aren't your thing, then Pure Sports Nutrition have developed an electrolyte hydration drink that cuts out all those fake ingredients, while still providing high-performance results.

Any athlete knows that hydration is paramount to performance, so if you're going to be slamming a lot of liquids, you want to make sure you're putting the best quality ingredients into your body. This formulation contains carbohydrates and electrolytes for hydration and replenishment plus real freeze dried fruit for flavour and antioxidants.

The 500g size is perfect to keep at home to make some up before the ride to work, the gym or a long weekend ride. Pure Sports Nutrition Electrolyte Hydration drink is scientifically formulated to rehydrate and replenish your body while exercising, so it's the perfect accompaniment to an active outdoor lifestyle.

No preservatives, colours or anti-clumping agents
Made from real fruits
No added fructose
Sucrose, glucose carbohydrate mix for energy
Premium electrolytes
