

Nuun Active Electrolyte Tabs

Details

We get it. Every time you go for a ride you have to dilute sickly sweet sports drinks just to make them drinkable. Not only do you lose electrolytes - it's such a waste of time.

Nuun Active have come up with a hydration product that will help you burn energy efficiently, keeping those nasty cramps and fatigue at bay, and it's made from clean ingredients. What more can you ask for really? This concoction has the perfect balance of flavour and sweetness - not too strong, not too sweet, Nuun Active is just right. With an active ingredients list that boasts electrolytes a-plenty, you'll get everything you need in one little tablet to hydrate, prevents cramps and fatigue.

One tube contains 10 tables, and each will fix you up one 16oz (approx. 473ml) sports drink, so it's the perfect amount of hydration without that extra fluid sloshing around. It also comes in so many great flavours, so you'll never get bored of drinking the same thing all the time. The portable container makes it easy to chuck it in your gym bag or keep one in your office bag for daily rides to the office for a tasty hydration product whatever you're doing. With great taste, high performance, and clean ingredients - why shouldn't you give it a try?

Active ingredients: sodium (bicarbonate and carbonate), potassium (bicarbonate), magnesium (sulphate), calcium (carbonate) and vitamin C (as ascorbic acid).

10 tablets, each one makes 16oz (approx. 473ml) sports drink
