

Campers Pantry Freeze Dried Carrot

~~\$7.95~~ **\$6.90**

Details

A classic campsite staple is a hearty stew. You could prepare yours with some soggy veggies from a can, or you can get the next best thing to fresh produce - freeze-dried vegetables.

Campers Pantry have made taking vegetables with you on your adventure so easy, with their snap dried range of Australian grown produce that weighs 90% less than fresh food. They're also blanched before they're freeze-dried, so half the work is already done for you.

You can either add the veggies to your meal - stirring them through, adding water if necessary until cooked, or you add them to boiling water for 2 minutes and they'll be ready to eat.
