

Gasmate
Voyager Portable BBQ

~~\$199.95~~ **\$104.90**

Details

You can't survive very long on a trip on sandwiches and dehydrated meals, which is why the Gasmate Voyager BBQ is going to be your new best friend on the road.

The generous cooking surface means that you can char, cook and grill to your heart's content on this thing, and it has a cast iron plate and half grill cooking surface - so you have a few different options. This is ideal to use in your caravan with the addition of an optional hose with a bayonet fitting and will fit into most caravan tunnel boots.

This powerful stainless steel burner also comes with a rotary ignition for easy lighting - which means you don't have to fumble with matches. This unit is also easy to take along with you on all your off-the-grid expeditions as its lightweight and compact for easy transport and storage.

Whether you want to fire her up for some bacon and eggs for brekkie, or snags and chops for dinner - the portable Gasmate Voyager BBQ will allow you to cook up a storm on the road.

Compact, lightweight and easy to set up
Rotary ignition for easy lighting
Cast iron cooking surface
Includes POL hose and regulator
