Blitz 3 Pop Up Tent

\$99.90

Details

The Blitz 3 from OZtrail is going to be your new best friend for your next outdoor trip, as it's all in one construction takes the difficulty out of camping. The poles are incorporated into the frame itself, and the fly is attached to the inner - so you couldn't stuff it up even if you tried.

All you have is take it out of its bag and lay it flat, pop it out, peg it down, and your shelter is ready to go! The easy setup construction of this tent doesn't mean that it won't offer good weather protection - the fly on the Blitz is 100% waterproof and has heat taped seams to prevent leaks. And with no-see-um mesh windows, you'll get plenty of airflow through your shelter. Getting in and out is a breeze in this tent as it has an easy to use D-shaped door, so you won't trip or stumble when you need to make a midnight bathroom run.

It's easy to lose track of your gear in your tent, which is why OZtrail has added two sidewall organiser pockets - so you can keep your valuables and essentials on hand at all times. Don't get bogged down by your camping set up, for your next trip get yourself an easy pitch shelter like the Blitz 3 from OZtrail.
