

Camelbak
**Crux™ Reservoir
Replacement Tube**

\$21.90

Details

The Crux Replacement Tube is here to save the day if yours has done a runner, or it's come along on one too many adventures and is in need of an upgrade.

Keeping your gear clean, and relatively germ-free free can be a bit of a struggle, which is why Camelbak have made the Crux Tube with antimicrobial technology which will help to stop the growth of bacteria on the surface of the tube.

You can also pair it with the additional Crux Reservoir On/Off Valve which will provide you with for 20% more water flow every sip.

Works with Camelbak Crux Reservoirs
Compatible with the Crux Reservoir On/Off Valve
Antimicrobial technology inhibits the growth of bacteria on tube surfaces
