Details

The Luci Outdoor Light 2.0 from MPOWERD is a waterproof, collapsible and shatterproof outdoor lantern that's the perfect companion for all your rough and tumble outdoor adventures.

Don't be fooled by the petite exterior, this lantern will blow you away with its brightness and durability. You won't have to waste your money on disposable batteries, as all you have to do is set this lantern in the sun for 7 hours, and it will give you a full 24 hours of illumination on the lowest setting. With an added adjustable base strap, you can attach your lantern pretty much anywhere you like without the need for an extra hook.

This lantern is also perfect to keep it on hand for around the house in the event of a power outage, or in your glove box for a roadside emergency. With low, medium, high and 1-second flashing modes available, you'll have plenty of illumination options with the Luci Outdoor 2.0 for any situation you find yourself in.
