

**MPOWERD
Luci EMRG Emergency
Lantern**

\$18.90

Details

You might want to stop what you're doing because this little gem from Luci is a total game changer when it comes to outdoor and emergency lighting.

The EMRG charges using the sun's rays is waterproof, durable and collapsible so it makes for the perfect pocket-sized light to illuminate your way in an emergency. With low, high, steady red light, S.O.S, and 1-second flashing modes - you'll have all the options you'll need to keep on standby for any situation. It also has a battery charge indicator and a press and hold power button that you just hold down for 3 seconds to shut it off.

Perfect to keep in your car for any roadside predicaments, in your pack, or around the house during a blackout - the Luci EMRG eliminates the need for batteries or fuel, is compact and lightweight - so it'll have your back in any situation.

Solar powered
 Low, high, SOS, steady red and 1 second flashing modes
 Press and hold power button for 3 seconds to shut off
 Lasts up to 7 hours on bright setting
 Takes 8 hours to fully charge in direct sunlight
