

Sea to Summit Alpha Light Long Handled Spoon

~~\$8.95~~ **\$7.90**

Details

For those of you who think a spoon is just a spoon - you just haven't experienced the Alpha Long Handled Spoon from Sea to Summit. Designed with a long handle to make it easy to stir and reach the bottom of pouch meals without getting your hands dirty, the Alpha also has a shovel-like shape that makes it easy to scrape every last morsel of your meal. This durable utensil is made from strong yet ultralight aircraft grade aluminium alloy, has a smooth matte hard anodised finish for durability, and comes with a mini carabiner for attachment. The practically perfect Alpha Long Spoon from Sea to Summit is definitely a worthy addition to your kit on your next expedition. Long handle to make it easy to eat pouch meals. Durable hard anodisation. Aircraft grade aluminium alloy. Smooth matte finish. Mini carabiner included.
