

## Sea to Summit Mosquito Headnet

~~\$15.99~~ **\$9.90**

### Details

When you're trying to enjoy yourself, the last thing you need is disease-carrying mozzies and other insects buzzing around your face - which is why you should cover your mug with the Mosquito Head Net from Sea to Summit. This headnet is made from fine 500 hole-per-square-inch hexagonal mesh which offers good visibility and protection. It's got an elasticised drawcord closure that's long enough to tuck into your collar and you can wear it alone or with a hat. It also packs down easily into its own tiny stuff sack for storage. When disease-carrying insects are present when you're camping, hiking or travelling - the Mosquito Head Net from Sea to Summit offers reliable protection. Black mesh netting offers better visibility Fine 500 hole per square inch hexagonal mesh Elasticised drawcord closure Wide enough to wear with a hat or without Stuff sack included
