

Popup Silicone Bowl 17cm

\$14.90

Details

You can't tuck into a hard-earned meal after a long day out, without a bowl to hold it in - which is where the space saving, lightweight, and sturdy Pop Up Bowl comes in.

The flexible food grade silicone construction makes it easy to pack up flat and clean, while the 304 stainless steel base and rim provide stability with the added bonus of allowing you to use it on top of a low heat source. The durable outer is made to withstand the rough and tumble of your outdoor lifestyle, so it can accompany you on all your open-air activities.

Perfect for the space-conscious hiker, or minimalist camper or caravanner- the Pop Up Bowl from Companion will save you some valuable space no matter what you're doing.

Collapses flat
Lightweight
Easy to clean
Durable and break resistant
Can be used on a low heat source to heat up contents
