

Ledlenser  
MH6 LED Headlamp

~~\$109.95~~ **\$84.90**

### Details

Lightweight on the scales heavyweight on performance, the Led Lenser MH6 Headlamp offers 200 lumens of focused light from a durable and lightweight housing.

With the added benefit of a lithium ion USB rechargeable battery and battery charge indicator, along with three light functions, the MH6 has a light setting for just about any situation.

For a headlamp with a balance of high-quality lighting, exceptional versatility and reliable durability, the MH6 from Led Lenser comes at a rather affordable price.

3 light modes  
USB rechargeable lithium ion battery included  
Also operates from standard alkaline batteries
