

Campfire Jaffle Iron Jumbo Double

\$34.90

Details

Cook two full-size jaffles at once, crusts and all, with the Jumbo Double Jaffle Iron from Campfire.

A Jaffle Iron would have to be the easiest and simplest way to create a good feed over the campsite. It's a bit like making a sandwich, only it's toasted. Fill it with whatever you want, veggies, mince, baked beans (our favourite) or whatever leftovers you've got in your fridge or esky, slap it onto the Jaffle Iron, or in this case slap two in the Jaffle Iron and stick it into the fire. In a few minutes, you'll have a tasty, toasted parcel of warm goodness to refuel you.

Made with quality pre-seasoned cast iron, the Double Jumbo Jaffle Iron come complete with screw-in handles that make transport easy.
