

Coghlan's Disposible Hand Warmer

\$1.50

Details

When temperatures are freezing cold - your hands can get so stiff, that it makes putting up a tent, or setting up camp a bit of a struggle. The Disposable Hand Warmer from Coghlan's are an essential item to take with you on every camping or hiking trip, as they will warm up your hands in your pockets or gloves for up to 6 hours if the weather takes a nasty turn.

These warmers are really easy to use, just remove the inner pack, squeeze or shake it several times - and in a couple of minutes your hands will be nice and toasty warm. After the hand warmer has been activated, just make sure to keep it covered to get the maximum amount of heat possible.

While exploring the great outdoors means freedom, fresh air, and adventure - you can't forget to make sure that your survival or first aid kit is stocked with some Coghlan's Disposable Hand Warmers to prepare for the worst.
