

## Marmot Limelight 2P Hiking Tent

~~\$599.99~~ **\$539.90**

### Details

The Limelight 2P Tent from Marmot is the high-quality tent that balances weight and liveability that you've been looking for.

The vertical walls of this tent create more headroom and a generally more spacious living area, and pitching is simple thanks to the colour coded clips and poles. This user-friendly tent has a double door and rear D shaped door to make it easy for 2 people to get in and out.

The seam-sealed fly provides a waterhead rating of 1500mm for protection in the rain, and the seam sealed catenary cut floor has a rating of 2000mm to keep leaks out. The Limelight 2P also has No-See-Um mesh on the interior to assist with ventilation and keep out insects from your shelter.

Featuring quality lightweight DAC Press-fit poles, and high strength velocity Aluminium 7000 ridge poles - the structure of this tent is super solid. Store your packs and boots in the vestibules on either side of the tent, and stash your phone, PLB and other smaller essentials in the interior pockets for easy access. You can also utilise your headlamp as a tent light thanks to the lampshade pocket which will hold it up to provide ambient lighting in your shelter.

Finished off with jingle-free zipper pulls, and a custom footprint - the Limelight represents premium design and spaciousness for two adventurers.

Vertical walls create a spacious living area
