

MSR

Groundhog Tent Stakes 6Pk~~\$39.95~~ **\$33.90****Details**

If the standard pegs that come with your tent just don't cut the mustard, then the durable and high-quality Groundhog Tent Stakes from MSR are a stellar choice.

These pegs have a Y-beam shape, which enables multi-directional anchoring and allows you to easily pierce the ground. They're made from 7075 series aluminium which provides performance over time, without adding excess weight. And they're also anodised to help resist corrosion.

The design of the Groundhog stakes work in most ground types, and the red finish increases visibility to prevent tripping. Upgrade your run-of-the-mill pegs with the high-performance Groundhog Tent Stakes from MSR.

Y-beam shape
7075 anodised aluminium
Effective on most ground types
Red for visibility

Specifications
