### Details

The Commercial Deluxe 4.5 Gazebo provides enough coverage for a larger stall, booth or group of people with the heavy-duty frame for stability.

With 50% more coverage than the 3.0 size, you can get plenty of shade to shield you from the sun or wind with this model. Featuring a fire retardant 500D canopy with UVtex treatment and interior silver lining to protect against 98% of UV rays. The heavy duty 32mm tubular legs give this shelter its structure, and its certified to Australian Engineers to Building Code of Australia standards.

The triple layer 600D polyester reinforcing points prevent wear on the corners, and the vents on the canopy help dissipate wind and heat. Extra roof line seams have also been added to improve tension while the push-button adjustment allows you to set this gazebo up 193, 308, and 223cm high.

For sturdy shade at your next event, function or stall - the Commercial Deluxe 4.5 Gazebo from OZtrail is a solid choice.
