Details

If you need a lot of undercover shade for a big group, then the Commercial Deluxe 6.0 Gazebo is a spacious and heavy-duty option.

This gazebo has heavy-duty steel 32mm tubular legs for stability and its certified to Australian Engineers to Building Code of Australia standards. It also features a durable 500D polyester canopy that's UVtreated and silver lined to block out 98% of UV radiation.

The key wear locations are reinforced with triple layer 600D polyester, the canopy has large vents to dissipate heat and wind, and there are externally bound roof line seams to improve tension. With three height options - 193, 208 and 203cm that can be adjusted at the push of a button - you can get the perfect height for your set up.

Sturdy, heavy duty with plenty of coverage - the Commercial Deluxe 6.0 Gazebo is the ideal shelter for your next event, market stall, or another occasion.
