

Fasty Strap 2m Blue

\$9.90

Details

With 30 years of experience in the industry, you can trust the Fasty 2m Strap to make securing your gear hassle and worry-free.

This strap features a steel buckle which is specially designed to be really robust. It has a larger opening which makes threading easier, and it's much stronger and lighter than other buckle materials such as zinc. This buckle is also corrosion resistant, so it'll stand up to lots of outdoor use.

It also features a polypropylene straps which is UV resistant so you can quickly and securely lash down your gear on your next expedition.

2m in length
Large opening buckle
Anti-corrosive coated buckle
UV resistant polypropylene
