

Gasmate  
E Jet 2 Pk  
~~\$3.95~~ **\$2.90**

## Details

Is your lantern feeling a bit blocked up? Well, the simple solution is to throw a brand spanking new E Jet into the mix. Made from brass this two-pack of E Jets will get your small or medium lantern ticking along again.

It's super simple to remove and install provided you are using a Gasmate Jet Spanner. A little tip, make sure you double-check that the markings on your old jet match those you are planning to replace it with. You don't want to look like a goose if you put the wrong one in.

This is a genuine Gasmate spare part that's compatible with small or medium lanterns.
