

Gear Aid
Gore-Tex Fabric Repair Kit
\$12.95

Details

Your gear isn't always invincible, especially when confronted by a gnarly branch, or your dog looking for a new chew toy - which is why Gear Aid makes the Gore-tex Fabric Repair Kit. This kit comes with two adhesive patches, one round and one rectangle, which can be cut down to suit any rip, tear or hole in gear such as waterproof breathable ski pants, jackets and gloves. Made from GORE-TEX® material for true waterproof protection with an ultra-aggressive adhesive for maximum hold on outdoor fabrics. Just remove the backing, apply some pressure or heat, and your gear is fixed. When it comes to fixing your GORE-TEX® gear, the Gore-tex Fabric Repair Kit from Gear Aid is the only way to go. Ultra-aggressive adhesive for maximum hold Can be cut down to the size for repair No sewing required Ideal for use on waterproof breathable fabrics Patches are made of GORE-TEX® for waterproof protection 1 x round patch and 1 x rectangle patch included
