

Haigh
**Fuel Safe Yellow Diesel Jerry
 Can 20L**

\$44.90

Details

You never want to be stranded in the middle of nowhere with an empty tank, which is why the Diesel Plastic Jerry Can from Haigh is essential for safely carrying extra fuel. As this jerry can is manufactured to Australian standards, and certified by SAI Global for your peace of mind. It's made from yellow high-density polyethylene plastic, with high UV protection, and is strong yet lightweight so you can still lift it when it's full. It also comes with a flexible screw on pouring spout, and an anti-glug nozzle to prevent spillage to make it convenient and easy to use. When heading off on an outback adventure, make it simple to securely transport fuel with the Diesel Plastic Jerry Can from Haigh. Made to Australian standards Certified by SAI Global (5 ticks) Made in Australia High UV protection Flexible screw on pouring spout Anti-glug nozzle to prevent spillage Suitable for storing leaded, unleaded and super grades of petrol, and kerosene and distillate
