Details

A fun way to add some colour to your outdoor setup, the Fiesta Compact Gazebos from Oztrail provide reliable shade when you need it, wrapped up in compact packed size.

The Fiesta Compact has a high-quality powder coated steel frame with ABS componentry for strength. It also features a canopy made from fire retardant 150D polyester with UVtex treatment and an internal silver coating which blocks out 98% of UV radiation.

The canopy also has externally bound roof seams to improve tension, roof vents, and triple layer reinforced points to prevent wear. With four different colours available, there's a shade for all kinds of occasions to choose from. The Fiesta Compact 2.4 has two height options - 183cm, and 193cm so you can find the right setting for your needs.

Whether you're heading to the beach, going camping, watching a sports event or setting up in your backyard - you can get dependable shade with the Fiesta Compact 2.4 Gazebo.
