

Hard Korr White LED Light Dimmer Switch

\$19.00

Details

Switch your lights on and off and adjust them to your preferred brightness with the LED Light Dimmer Switch from Korr Lighting.

This dimmer switch is compatible with all Korr camping and marine lighting products and is a handy addition to your lighting set up. Attaching this switch is easy, as it has a built-in magnet which allows you to attach it to a tent pole, or other metal surfaces where you need it.

The stable voltage dimmers mean that you can turn down the lights, without any flickering, and it has a night light which makes it easy to see the switch in the dark.

Not suitable for orange/white light bars
Nightlight included
On/Off and brightness control for all Korr camping and marine light products
Flicker-free dimming
Built-in magnet for attachment to metal surfaces
