

## Koda Energy Gel Berry Banana

**\$2.00**

### Details

Easy to eat mid-session, fast working, and with sustained energy - the Energy Gel from Koda ticks all the boxes and more.

Designed to enter the bloodstream at lightning speed, you'll be able to fuel up quickly without missing a beat. Koda gels are unique as they have a smooth consistency that won't stick to the roof of your mouth, irritate the back of your throat, or leave a bad taste in your mouth.

It also won't give you that spike of energy followed by a crash that you might get with other sugary energy products. Fuel up while you're out riding, on the trail, or mid-run with the Berry Banana Koda Energy Gel.

Fast working  
High amount of calories in a small volume  
Minimal energy required to metabolise  
No unpleasant aftertaste or irritation in the back of your throat  
No energy spike or crash
