Details

Carry everything you need for a minimal expedition and nothing you don't, with the Agile 2 Set from Salomon.

This lightweight running pack has a sleek design which gives you just enough room to carry your phone, cards, keys and soft hydration flasks. Your gear can be stored in the kangaroo back pocket for easy access, and the elastic key chain holder makes it easy to keep your keys safe. You can adjust this pack by the adjustable twin straps for stability, the 3D air mesh helps with airflow, while the lightweight harness sits comfortably on your shoulders.

When you're running in low light conditions, the Agile 2 also has reflective details for better visibility. If you need a streamlined pack for carrying your essentials on your runs, the Agile 2 Set from Salomon will tick all your boxes.

Kangaroo back pocket for storage
Elastic key chain holder
Enough space for soft hydration flask, a car key and a credit card
Reflective details on the back for better visibility
