

Dometic
Sinepower MSI 412 Inverter
\$144.90

Details

If you want to use your sensitive devices such as your electric toothbrush, DVD player, Laptop or TV when you're away from home, then the Sinepower 350W Inverter MSI 412 will convert your 12V battery power into 230 V AC voltage.

This inverter is quick and easy to install, lightweight and compact so perfect for taking on the road with you. The 230V socket is on top of the inverter making it super simple to access. It's also got a high peak output rating, which means it will supply devices with high start currents.

Make it easy to use your sensitive appliances when you're away from the comfort of your home with the Sinepower 350W Inverter MSI 412 from Dometic.

Converts 12V battery power into 230 V AC voltage
Pure sine wave inverter
