

Gasmate
**UNEF/BOM to POL Low
 Pressure Gas Hose 900mm**

\$22.90

Details

A high-pressure hose ideal for adapting appliances that utilises disposable propane canisters so they can be run from a regular 4kg or 9kg LPG gas cylinder.

This hose features a UNEF for BOM fitting at one end to attach in place of the disposable cylinder and a POL fitting at the other which will screw straight into your refillable or Swap-n-Go bottle and is 90cm in length giving you a good amount of hose length to keep your gas bottle at a safe distance from your appliance.

Perfect for the Gasmate Ducted Camping Heater
 Use 4kg or 9kg cylinders in place of disposable canisters
 UNEF or BOM fitting is the fitting on top of disposable 450g propane canisters
