### Details

When the weather heats up, there's nothing better than a day by the water with some spectacular views. Just make sure you bring some shelter with you, like the Shadee Fun Moana Beach Shade.

This traditional style shade features a red and white stripe design which will stand out from the rest of the shade on the beach. Throughout the day you can adapt it to the sun, as this shade can be set up in an A or L shape. It also comes with a huge inner zip pocket which is handy for keeping your smaller bits of gear off the sand. This shade also comes with pegs, guy ropes, and a plastic mallet included for pitching.

When you've had your fun in the sun, just pack it back up into the stylish beach/carry bag which has internal pockets for keeping your sunnies, sunscreen or other bits organised. Bring along the Shadee Fun Moana Beach Shade for shelter on your next trip to the seaside.
