Details

If you're in the process of planning your road trip around Australia, you won't need to squint over a tiny map on your phone if you have a Large Australia Map from Hema Haps.

The folded map details the country's major road networks to help you plan out your route, and it also notes outback fuel sources, distances and the locations of National Parks. And if you're making stops through the major cities, just flip it over and you'll have the through road and CBD road maps of Sydney, Melbourne, Canberra, Brisbane, Adelaide, Perth, Darwin and Hobart.

Whether you're just in the preparation stage of your trip or need to see where you are on your journey - the Australia Large Map from Hema Maps is an essential reference point.
