Details

The streamlined version of the original travel-friendly and wearable multitool, the Leatherman Tread LT is your new sleek daily companion.

With 29 tools that you can wear on your wrist, this is the ultimate in practical style. The Tread LT has the functionality of the original, but in a slimmer size which makes it less bulky and more comfortable. You can easily adjust the links to fit your wrist size, and each link contains a tool that can be switched out based on what you need the most.

With tools such as screwdrivers, Allen wrenches and box wrenches at your disposal - you can tackle all sorts of tasks with a Tread LT from Leatherman on your wrist.

Adjustable to 1/4" to accommodate any wrist size
Fully customisable with the links you need the most
Stylish as well as functional
