### Details

Whether you're at the campsite, on the trail, or eating outside- the Sea to Summit Spork is the lightweight and durable utensil choice.

This spork is made from BPA-free heat stable polypropylene, so it's ideal for stirring a rehydrated pouch meal. The handle has a hole that's compatible with a small carabiner, so you can clip it together with other utensils for easy organisation in your rucksack. The Sea to Summit spork is also dishwasher safe so its super easy to take care of.

When you're not on an adventure, pop it in your work bag or desk drawer when you need to eat lunch on the go. Eating your meal outdoors is simple with the two-in-one Spork from Sea to Summit.

Durable and lightweight  
Small carabiner compatible hole at the base of the handle  
Dishwasher safe  
BPA free polypropylene  
Heat stable so ideal for stirring freeze dried meals
