Details

If you've always got a million things going at once, then you can drink one-handed without any dramas with the Chute Mag .6L from Camelbak.

This drink bottle has a magnetic top, which keeps the cap stowed while you drink - so you can quench your thirst without the cap getting in the way. Constructed from 100% BPA, BPS, and BPF free material, this bottle won't leave you with a gross plastic taste in your mouth. It also has an angled spout to prevent sloshing while you drink, and a wide mouth opening for easy filling and cleaning.

The Chute Mag is also leak proof for your peace of mind when it's in your bag or pack, and the specially designed handle is comfortable to carry with two fingers. Hydrate one-handed, with the sturdy and leak-proof Chute Mag from Camelbak.
