~~\$399.99~~ **\$299.90**

Details

The versatile Classic Dome 4+ tent from Black Wolf is a great shelter for campers who want to keep it simple - and catch some extra shuteye on a weekend away. The inner is made from polyester and no-see-um mesh and features twilight technology, which makes your tent darker so you can get to bed earlier and sleep in without the morning light blinding you. In terms of weather protection, the fly has a 2000mm waterhead rating to guard against a drizzle, while the roll away side vents and no-see-um mesh provide air flow on warmer evenings. The interior is very liveable as it has a generous internal head height, there's space to sleep four people, and you can store your gear out of the elements in the front vestibule. The Classic Dome 4+ from Black Wolf is a modern spin on a traditional tent, that gives you the option for a better sleep in on your next camping expedition. Sleeps 4 people Twilight panels on the inner for early nights or sleeping in Generous internal head height Front vestibule for storage Rollaway side vents and rear door access for ventilation 2000mm waterhead rating on fly Polyester and no-see-um mesh inner
