

Nebo  
**Slyde King Work Light & Flashlight**

~~\$129.00~~ **\$94.90**

**Details**

Pack the Slyde King from Nebo Lighting when you need a torch that also functions as a work light for versatility in your everyday tasks or outdoor expeditions. The body is made from impact and water-resistant aircraft grade aluminium for durability, and it has a powerful magnetic base for hands-free use. You can program the memory settings for each mode, and this light has a 4x adjustable zoom. The Slyde King has four light modes - flashlight, work light, red light and red flash so you have plenty of options for all kinds of applications. To use the work light, just slide it out as its cleverly concealed in the body of the flashlight. This unit is fully rechargeable as it uses an included Li-ion battery, and it also comes with a micro USB to US cable for charging. Why would you buy a separate work light and torch when you can just grab the handy Slyde King Rechargeable from Nebo Lighting? Fully rechargeable 4 x light modes - flashlight, work light, red light and red flash Anodised aircraft grade aluminium water and impact resistant Dimmable beam Memory power setting 4x adjustable zoom Work light is concealed in the flashlight body Powerful magnetic base Powered by 1 Li-ion rechargeable battery which is included Micro USB to US cable included
